Please note that there are a number of karters registered in the BSRKC Series that have *not* informed us of their ASN Canada home kart club affiliation. This is one piece of information that must be provided to us *before* you arrive to compete that weekend. If you have not updated this information with us and have **TBA** next to your name, please send an email to LyndaChiovitti@hotmail.com or call her today at 905.722.3089. Please include: your first and last names, the class(es) you are entering, and your kart number in each class entered.

A gentle reminder: karters are required to present their ASN Canada affiliated home kart club membership card at registration. The card will also be required when you pick up your transponder on race day. Please review the related attachment. If you, or someone you know, has **TBA** next to their name, your BSRKC kart number registration is INCOMPLETE. With 427 kart numbers registered in the Series, we expect to process all entries in an efficient and timely manner. Your anticipated prompt cooperation in this regard will guarantee that everyone will spend less time in line and more time on the track.

Thank you all and see you there.
