

3-S Go Karts & Simcoe Kart Club – December NEWSLETTER

It's Official... 3-S and SKC to continue **RACE FOR FREE with SKC!** Special in 2012

Simcoe Kart Club President, Enzo Chiovitti, made the official announcement at the club's yearend banquet. He stated that the club and the track will continue their outstanding membership offers in 2012.

Effective immediately, each karter that joins Simcoe Kart Club, and purchases their 3-S Go Karts annual track membership, will not pay any SKC race day entry fees. This unprecedented arrangement was very popular in 2011, and it proved to save racers a substantial amount of money.

As an added incentive, 3-S Go Karts has extended the following **PRE-CHRISTMAS** special offer: **If the annual track membership fee is paid before Christmas the cost is \$450.00 plus HST.** (After Christmas the fee **increases** to \$500.00 plus HST).

If you've been wondering what to put in your Christmas stocking, or that of the racer(s) in your family, this is it. And, making this purchase is as easy as cash, cheque, Visa or Master Card.
